News From the Room:

First of all, a big congratulations goes out to the children who ALL EARNED ALL THE COOKIE TOPPINGS!!! I am so proud of their hard work! We had a fun time at the party- all the kids really enjoyed those sprinkles! ☺

This week is going to be very busy as well! We have our class party on Wednesday at 9:00am. We will be making crafts, trees, playing Bingo, and some other fun surprises. The only things we still need are 20 sugar cones (with the pointy tops) and small paper plates. Please let me know if you are able to send these in. Thanks!

This Thursday is the last day of school for the students until January 10th. Students are allowed to use it as a "Non-Standard School Attire" Dress day. They are able to wear the clothes they would like. We will also have 2 assemblies that day (including a Sing-a-long). For this reason, we are having sack lunches. The students have placed their orders. The following students have requested to bring their own lunches so please send them with their own lunch on Thursday: Connor, Zayana, Manasvi, Myles, Kiruthika, Sukrit, Awtry and Alivia. Please let me know if this is a problem.

The Friday that we return we will be having the 1st Grade Awards Celebration. This will be in recognition for the Tiger Pride Awards, First in Math Top players, AR Top Points and other academic achievements. You will receive an invitation this week if your child will be recognized.

Curriculum Corner: (Continuing from last week...)

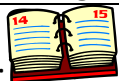

Language Arts: We are working on parts of speech like nouns, verbs, proper nouns, and adjectives. We are also working on contractions and how 2 words go together to make one.

Math: We are doing large Even and Odd numbers, skip counting, and 3D shapes like cube, rectangular prism, cylinder, pyramid and cone.

Science: We are starting a new unit on sound!

Dates to Remember:

December 21st- Class party @ 9am

December 23rd- January 9th- Winter Break

January 13th- 8:15 am- First Grade Awards Celebration
