GUITAR CLUB

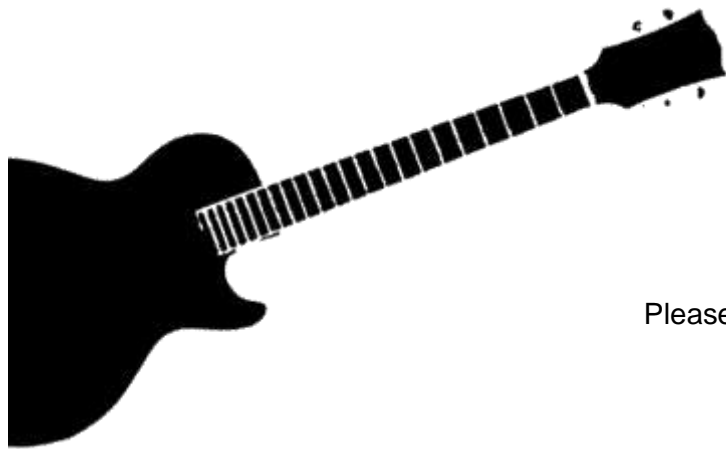

Learning to play an instrument is a great way for students of all ages to build self-confidence, express themselves creatively and grow in their ability to acquire and master new skills. RockOnMusic's Guitar Club gives students the opportunity to get their hands on a 'real' guitar and receive instruction from one of our experienced and engaging teachers. No previous experience is necessary. **Grades 3rd and UP are welcome to join, but space will be limited...**

NEW STUDENTS will learn all the basics: how to hold the guitar, how to read guitar music, how to strum & pick *as they learn well-known songs and melodies.*

EXPERIENCED PLAYERS will build on foundational techniques they have already learned while *they are challenged with more and more advanced skills and songs.*

**Guitars Provided

During Class!!!**
