## News From the Room:

First of all, please remember that this is the LAST day to order Yearbooks!!! If you have not done so and would still like to order one, you can use the link that is on the Teasley web page.

I also wanted to let you know that I will be out of school tomorrow to attend a Cobb County Teacher Meeting. We have a great sub in here for the day. However, please review the rules with your child before coming to school. Last time she was in here the students had a rough time and I would like to see an improvement for tomorrow ☺.

We are running to the end of our snack list. I am going to make another one so please look out for your name. I really appreciate how fantastic y'all have been with your donations. Speaking of donations, as you are out "shopping," please remember our Prize Box. It is getting a little low and we are about to start a new incentive chart so I would love to have some new and exciting prizes!!

There is a new license plate coming out that specifically supports Cobb County Schools!! If you order it by February 3<sup>rd</sup>, the foundation for our school gets \$10. Cobb County needs 1,000 orders by then for the plate to be produced and be the 1<sup>st</sup> county in the state to have our own plate! Please see the attached email/ order form on the blog.

## Curriculum Corner:

**Language Arts:** In writing, we are continuing to discuss how to stay focused in our stories. Students should have a topic sentence, 4 supporting details and a closing sentence. We are also working on how to make a good closing in our story that relates back to the beginning.

**Math:** We are continuing to practice switching from Addition to Subtraction quickly and efficiently. We are also working on number patterns, coin counting, and number sense.

**Social Studies:** We are continuing learning about the 7 Continents.

**Snack:** Jai

## Dates to Remember:
