

Mrs. Geiger, Mrs. Green and Mrs. Mayes

Reminders

Please send in your payment for our field trip as soon as possible - thanks!

Please send snack with your child each day.

Our treat box needs replenishing - if you can donate some small treats such as candy, pencils, costume jewelry etc. we would greatly appreciate it.

Upcoming Events

Field Day - May 3rd

In-house field trip - May 7th

Celebrating Moms and Dads Day - Friday, May

10th - details will be sent home.

Any day now - our caterpillars will be forming their chrysalis.

Math

This week, our focus was using shapes to make pictures. We practiced manipulating individual shapes to make shape pictures.

We are also continuing our number talk. We told a math story and then solved our story using a graphic organizer.

Please continue to practice addition facts to 5. Your child needs to be fluent in these facts by the end of the year

Language Arts

Sight Words	were mother just
Long and short vowel sounds,	a,e,i,o,u

Reading - This week we read about ways that we can help the earth. We also read about the rainforest and practiced retelling by acting out *The Umbrella* by Jan Brett..... **Writing**: This week we continued writing narrative and informational. We are focusing on events in order and writing from the heart. ☺ Please continue encouraging your child to write at home - make a shopping list!

Science/Social Studies

- This week we learned about goods and services. Goods are things that we buy and services are things that people do for money or for free. We set up a school store and bought items. Ask your child what they had to use to buy chocolate, chalk and stickers. We are practicing cooperation and working together as table groups.
