THE PAWS FOUNDATION

The Teasley PAWS Foundation is a charitable, non-profit volunteer organization established in 2006 to work hand in hand with the PTA to enhance education opportunities for all students of Teasley Elementary School.

The Foundation is a means by which Teasley families, corporations, and local clubs and businesses can support our school by donating dollars directly to the school. Since it has a 501c3 tax exempt status, it is able to receive employee matching funds and apply for grants.

TEASLEY'S PARENT ORGANIZATIONS

PTA and PAWS

Teasley's PTA and PAWS Foundation work hand in hand to support Teasley. Each Parent Organization plays a part. For example, PTA provides \$500 - \$1000 to supplement our Specials classes. PAWS provided ELMO's for each classroom, a \$12,500 investment.
